Letter from the Ambassadors

Dear Scouts and Scouters,

It is our pleasure to present to you the guidebook for 2025 Panther District Camporee. This marks the occasion of our Annual Scout organized and run program hosted by the Tukosee Mathla Chapter of Osceola Lodge of the Order of the Arrow. We are presenting an event that will capture the attention of the youth of the district and help teach them teamwork and leadership skills through healthy competition.

We welcome all who are attending and their guests to see what the world of Scouting can offer. Leaders, and parents alike, you have not been forgotten. You can aid your unit in participating in the adult competitions.

Please help us out by giving feedback and promoting this event within your unit and to your friends in other units. We hope this will be a great experience for all involved and will be a memorable time. So, sign up early, you won't want to miss this awesome event!

Camp Emergencies

The camp has emergency phone numbers posted near all building entrances; FM radio communication throughout the reservation; a written agreement with the local emergency service providers; fire equipment and first aid material and a working relationship with the local Sheriff's Department and the Fire Department. If you have any questions about procedures after reading this section of the manual, please ask. During an emergency your responsibility is for your unit.

Once assembled, please take a head count and send a junior leader to report attendance to the staff member in charge next to the parade field flagpole. The staff member in charge will provide further instructions to the junior leader to share with your unit.

Please stay in the Emergency Assembly Area until the all clear signal is given (three steady 5 second blasts from the siren).

If you hear the camp siren, give a 15 second blast, the Thor-Guard lightning prediction system has been triggered and you must cease program and move to a grounded shelter. All hard-roofed pavilions and camp buildings are grounded shelters.

Please stay under hard shelter until the all clear signal is given (three steady 5 second blasts from the siren).

Participants will follow the directions given by COPE Department staff. Program will reopen when deemed safe by the COPE/Climbing Director.

Encounters with Wildlife

Price-Sanders Scout Reservation covers roughly 1,300 acres and offers a wide range of exciting adventures, including the opportunity to observe many types of birds, fish and wildlife. Undoubtedly the opportunity to observe these animals will provide lifetime memories.

Seeing them in their natural habitat is always a pleasure, but it is wise to remember that they are the permanent residents of the camp while you are the visitor. Treat them with respect; give wildlife enough space so it will not feel threatened by your presence. Most conflicts between people and wildlife are linked to careless handling of food or garbage.

In the event you are injured, provide first aid then please report to the Health Lodge immediately. For additional information or assistance contact staff advisor or camp ranger.
