## FALL FELLOWSHIP 2024

We had a blast at Camp Flying Eagle,

It was a busy weekend with lots of fellowship and fun around camp. Brotherhood walk, Ceremonies, Vigil Selections, and of course, cheerful service happened during this weekend. After service, we had a tasty lunch cooked by the kitchen crew then it was off to games. We played football, hockey, and other fun games until the brotherhood walk and ceremonies.

The lodge congratulates the members who have sealed their ties in brotherhood.

Lots of exciting things will be happening at Winter Fellowship so don't forget to register when it opens, (Dec 13th-15th)

# ADVISER'S MINUTE

---

Brothers,

The first Lodge event of our program year is behind us. Your LEC did a great job of planning and conducting a great program at Camp Flying Eagle for Fall Fellowship. We completed several projects around camp and assisted Camp Ranger Todd Greene in picking up debris that Tropical Storm Debby and her flood waters left scattered throughout camp. Lots of fun and fellowship in the afternoon and throughout the evening thanks to the activities and menu the LEC put together. Section Leadership Seminars (SLS) is fast approaching. SLS is being hosted by Aal-Pa-Tah Lodge at Camp Tanah Keeta in Tequesta, FL (Near Jupiter, FL). This is a great opportunity to meet and network with Arrowmen from the entire state. Osceola Lodge would like to have a heavy presence. Watch for emails detailing how to register. I hope to see you all at our upcoming events. WE will be working hard through the year to provide service to events like Cub Spooktacular or BBD, and plenty of workdays leading up to Section Conference.

I would like to remind the youth of our Lodge that this is YOUR Lodge. The program is designed and administered by your peers. There are committees that you can participate in that allow you to be a part of planning activities, administrative functions, ceremonies, etc. I urge you to get involved and help make your programs the best of any Lodge!

See you at Section Conference 2025!

Yours in Brotherhood,

# CHIEF'S CORNER

My Brothers,

Everyone I want to thank you all for a truly amazing weekend. It was our first fellowship with the incoming Lodge Executive Committee and I truly think they did an amazing job with the cards they were dealt. I want to give a huge shoutout to not only my Vice Chief of Program Peyton for amazing service projects and program but also to my Vice Chief of Administration for sending out constant emails and social media posts leading up to this event. One of the other things that happened this weekend was Vigil Selection Committee and I would like to thank every single Chapter Chief for finding two non-eligible candidates to represent their chapters. Overall I know I personally had an amazing time and I hope to see you all at the upcoming council and Order of the Arrow events.

Yours In Scouting,  
Nick Switzer

## Oscen Tustenuggee

Oscen Tustenuggee had an amazing turnout at this last fellowships with almost a 200% increase in youth and youth adults. We also want to congratulate the members that have received there brotherhood at Fall Fellowship. Our next Chapter meeting is still TBA but is soon to be announced. We are also thrilled to have our Chapter Chief back in action after his long disappearance. Currently, Oscen Tustenuggee is still in the process of rebuilding our chapter if you have youth that don't attend meetings or fellowships remind them how fun it is and try and get them to come. We look forward to seeing Oscen Tustenuggee Arrowmen in the near future.
