

OSCEOLA ORACLE

SPRING FELLOWSHIP 2025

Another Fellowship down!

Ordeal was a great success. This weekend we had 67 candidates go through ordeal and become arrowmen, 13 new brotherhood members, and 1 new vigil member. This was only made possible by our ceremonies teams working hard during every ceremony. Service projects went smoothly, the camp needed some work in preparation for section conference. Another work day will be taking place next month (dates below). Along with Ordeal and service projects, lodge elections took place on Sunday. It was an exciting election and new people were elected into the LEC. Thank you to everybody who participated and congrats to everybody who holds a position in the lodge for the upcoming 2025-2026 year (LEC positions listed below). Thank you to everybody who showed up this weekend, especially kitchen staff, ceremonies teams, and elagomats Without you this fun filled weekend wouldn't have been possible.
